Thelma Lovette YMCA – Centre Ave – Pittsburgh, PA

Dear Funders with the Digital Badges Grant,

The Thelma Lovette YMCA on Centre Ave. supports the proposal of [Play.CLOH.org](http://Play.CLOH.org).

We hope to be involved and have the program expansion bring new energy to some ongoing programs we have partnered with over the years with Coach Rauterkus.

On Friday evenings the TL YMCA hosts community water polo and pick up games of SKWIM for the past three winters. With the new XPs and Digital Badges from LRNG, the adults and teens will be rewarded for regular participation.

In past years the Swim & Water Polo Camp with 100+ students as part of Summer Dreamers was held at the Thelma Lovette YMCA too, with coordination from Coach Rauterkus.

Spinning is another activity we have talked about expanding with the help of this grant. Our high school students might find that a great exercise and setting to really discover their true levels of fitness on a semi annual basis.

Let's get started.  
Sincerely yours,

Matthew Chase  
Aquatics Director
